Parents Evening:

It was lovely to see so many of you over the two nights and for you to have the opportunity to sit, have a cup of tea, view your child's books, talk to the teacher and take the time chat to other parents without constant interruptions. Thank you also for acknowledging the work that the school and staff do; it means a lot to us and we value the partnerships that we have with yourselves and your families.

Harvest Service:

Thank you again for your donations and for attending one of our three services. The children sang and presented beautifully and we were very proud of them.
