Firstly, thank you for contacting us regarding your gate choice for after Easter. Secondly, thank you for booking and paying for places for your children to participate in our Extra Curricular Clubs. Thirdly, thank you for completing the Microsoft Form when it is your child's Class Assembly and fourthly booking seats for the Easter Service of your choice; this supports our Safeguarding, Health and Safety, and Mrs McKay's health and wellbeing as she knows how many chairs will be needed!

Year 6

This week has seen most of our Year 6 pupils go to PGL. They have participated in numerous adventure activities including canoeing, High Ropes, Balloon Splash, Archery, Ambush, Fencing, to name just a few!

The PGL Instructors commented positively about our children's behaviour and attitude. Well done Year 6! A huge thank you too to the Staff, Mrs Rowland, Mrs Andersen, Miss McElroy, Miss Buttery and Miss Armson for everything that they have done as being on duty 24 hours a day for a week is not easy and goes well beyond the day job.

Well done also to those Year 6 children who remained in school and participated in extra Farm and Forest Activities across the week.
