12th May 2023

We are so proud!

The month of May has been an intense month so far, but we are so proud of our children.

Year 2 SATs started at the beginning of May and have continued in earnest this week. They have completed Grammar, Punctuation and Spelling tests; Maths tests and Reading Comprehension tests.

Year 6 SATs took place this week with GPS, Reading, and three Maths papers.

Both year groups have seized the opportunity to showcase what they can do which is all to their credit. We have all heard in the media about children who are crumbling because of the pressure; however, our children have shown resilience, perseverance and camaraderie and for that we are extremely proud.

Furthermore, in support of their peers, the other children in the school have been mindful when moving around school and accommodating the quieter atmosphere that the Year 2 and Year 6 children have needed. Special mentions and “thank you” must go to Year 3, Year 4 and Year 5.

Reminders:

Outdoor learning, Inspire and Family Lunch:

w/b 15th May: Reception Warwick

w/b 22nd May: Reception Windsor
