

We have **some exciting news** to share with you about Maths at Glascote Academy:

Children in **Key Stage 2** are now using **White Rose Maths Workbooks** in class as well as completing their daily Flashback 4 in their usual yellow maths books. These new workbooks will be used alongside **White Rose Maths flipcharts, planning and Homework Journals**. Children are to complete the set activities as homework and return their book to school the following morning (or Monday if sent over the weekend) where the work will be marked together as a class.

Children in **Key Stage 2** are now using the **Times Tables Rockstars Rolling Numbers chants** to practise their multiplication tables at the end of each day. All of the chants are available on the Times Tables Rockstars You Tube page if your child would like to practise these at home [Times Tables Rock Stars - YouTube](#) Children will also be given three opportunities within school to practise their times tables, one session on a device and the other two sessions completing speed and accuracy quizzes on paper.
