Remembrance Service

As a sign of respect and remembrance of all those people who have fought in past and current wars, we held our Remembrance Service this morning. Mr Armitage, our Vice Chair of Governors came to mark the occasion with us and commented that he was very proud of the children and how they upheld the 2-minute silence. Mr Hand and Mrs Prosser-Davies from the Trust Executive Leadership Team joined us also and praised the children for their sensible attitudes during such a poignant service. Representatives from each year group lay their class poppy crosses and wreaths as part of our Service. Once again, our children showed “Pride” in their school and their community.

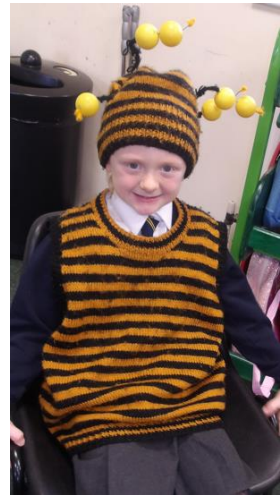

*Pride in myself
Pride in my work
Pride in my school
Pride in my community*
