### Special mention:

**Evie and George**, our **Student Governors** from **6 Pankhurst**, are leaving us to go to High School. They have served in this roll since they were in Year 3. During the past four years, Evie and George have attended regular meetings, supported school improvement, organised an assembly and workshops by a local Doctor and the Council to raise aspirations for their peers. George was the driving force behind the Student Governor badge! A special thank you to you both for being the committed young people you are.

## Win the Bin!

For showing **“Pride in our school”** through keeping classroom areas tidy. **A special mention to Anesti (6 Pankhurst)** who chose our winners for last week – the last of the year! Thank you, Anesti.

Reception Elizabeth

Overall ‘Bin’ winners for the year are...

Baby Bin (EYFS/Key Stage 1): Reception Elizabeth – 8 times  
Dusty (Key Stage 2): 5 Seacole – 9 times

### Special Mention

Sienna J and Millie T both of 4 Darwin went littering picking in their local area of Lakeside. They wanted to improve the environment and make areas clean and tidy for everyone. Their parents, and we, are super proud of them for doing this of their own accord. True role models who are showing ‘Pride in their Community’. Well done girls.

## Every Read Counts

September will see new 'Reading Rewards' as part of our new Glascote Academy 'Every Reading Counts'. All children from Reception to Year 6 will take part with children choosing when to exchange their points for a variety of rewards. More information will follow in September!

## Glascote Family Day out to Conkers!

Thursday 17<sup>th</sup> July 2025 saw five coaches go in convoy to Conkers! The children were so excited – especially when some of them realised they were on a double-decker bus and could go upstairs!

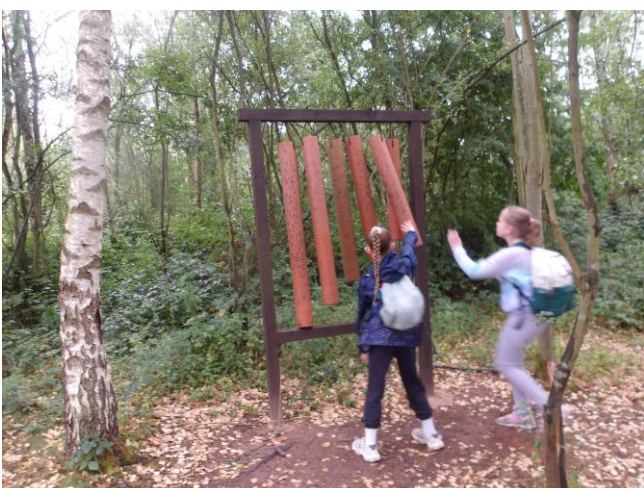

Despite the on and off drizzle and the train not working, we had an amazing day! Many children (and staff) completed the barefoot walk – not once but twice (Louie from 3 Newton did it four and half times!) The 4D cinema was very loud as children screamed with joy on the insect 'rollercoaster', and the indoor and outdoor climbing equipment, the labyrinth, the warren, and the sand pit were a hit. They were tired, and dirty, but built wonderful memories.
