19th June 2026

This week's spotlight winners are:

CONGRATULATIONS!

Recycling Rabbit!

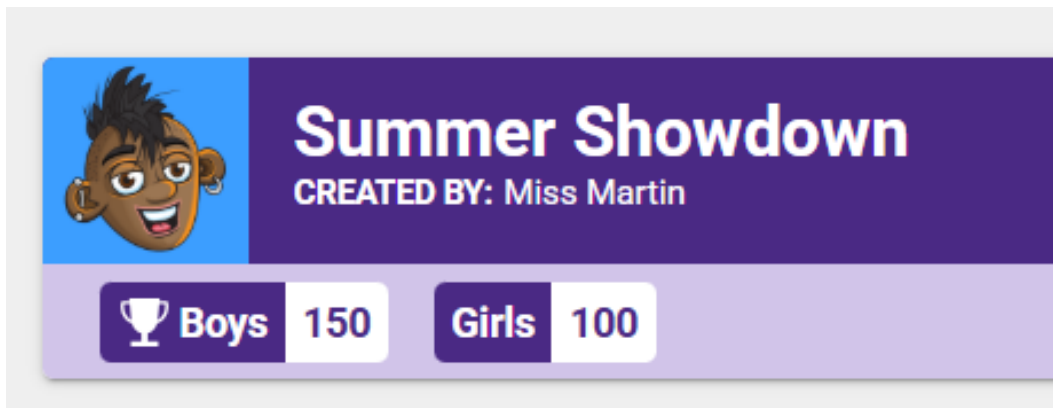

Eco Committee members **Nathaniel and Liarna (Year 4)** have awarded Recycling Rabbit to **Year 4** for their joint recycling. They have awarded **Year 5, Reception and Year 1** five positive points each too; a positive week for recycling!

TTRs Battle: Summer Showdown

Last week's battle was between boys and girls. Although the boys won, this score resulted from a few key players, whereas there were more girls who participated. Let's see what happens next week.

Message from Maria Hamblin

Chief Executive Officer for the Fierté Multi-Academy Trust

Dear Parents,

The Trust is undertaking a Trust wide survey of our children, prioritising how happy they feel at school and their sense of belonging within their setting and as part of the Fierté Family. The short survey (over a period of 2 weeks starting 22/06/2026) will be undertaken by known adults where children are younger (EYFS and KS1) and as individuals (KS2). The 15 questions have been consulted upon with Trust Pupil Leaders and representatives from our Trust Wellbeing Forum. Therefore, the questions are child-centered and pupil-friendly. We have also sought guidance from our Trust Inclusion Practitioner to enable every child to access the questions. The results that we capture will inform us on what we need to do, to either continue with what is working well, or action next steps so every child has the happy school life they deserve and a strong sense of purpose and belonging at school.

DREAM BIG DAY!

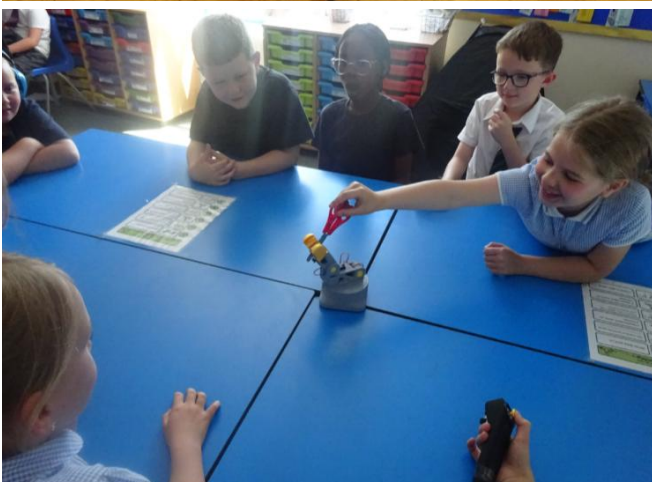

Friday 19th June, was a special day. All of our children had the opportunity to meet different people to find out about their jobs and careers, as well as time to consider what they would like to be when they are older.

They experienced drumming and found out that being a Musician can take you around the world working on a cruise ship, meeting famous people, and owning your own business.

They heard about serving our King and Country in the Armed Forces and the opportunities that this can bring to travel the world and learn many skills. They learned about the work of a Critical Care Paramedic with the Air Ambulance who gets to fly daily in a helicopter and save lives.

Supporting children and families as a Crossing Patrol Warden with a cheery smile and a warm hello was explored by our younger children, as well as the work of an Engineer who applies a love of mathematics and science to solve real-world problems.

Our visitors commented on how polite, respectful and inquisitive our children were. A very busy but successful inspiring day, encouraging our children to “Dream Big”!

Firefighter

Scientist

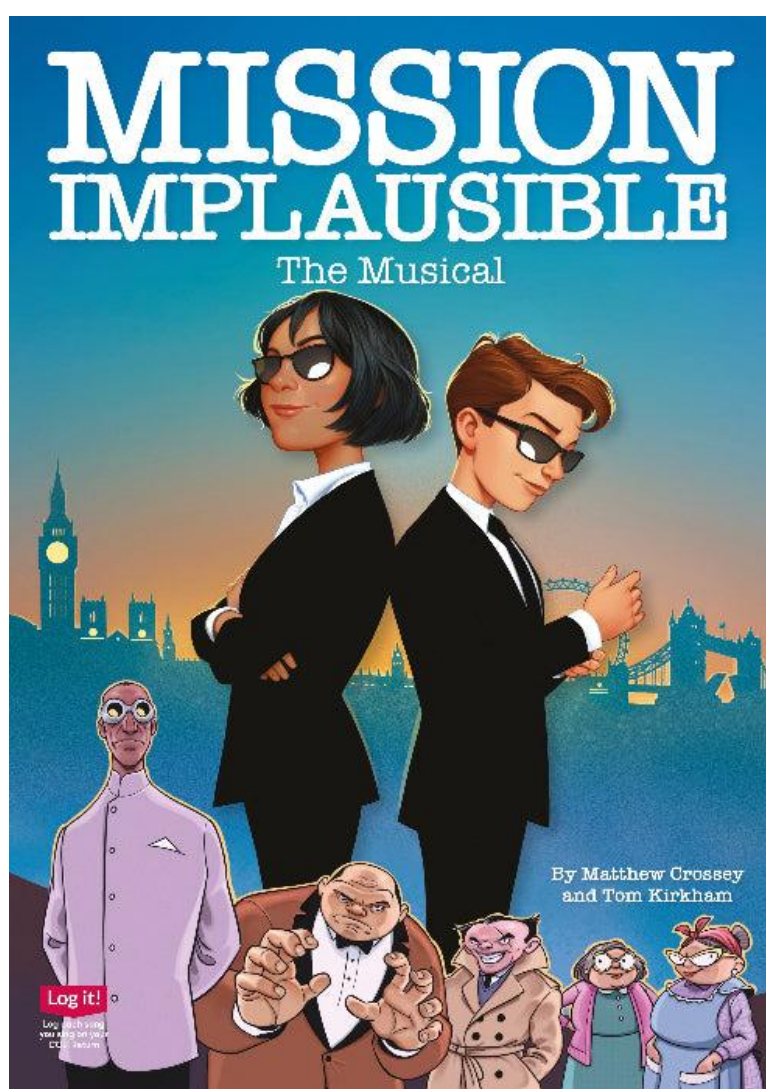

Chef

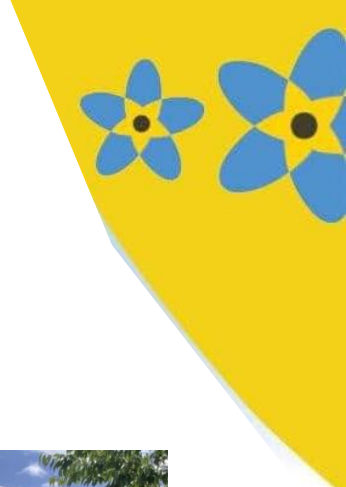

Year 6 Performance of a lifetime!

When the evil villain **Dr Yes** kidnapped the esteemed scientist **Professor Sandy Beach**, four of MI5's least capable agents (**James Smythe, Simone Templar, Joanna Steed, and Vincent Woods**) were tasked with saving him. It was not easy as **Paws, Tic-Tac, Number Two and Rosy Webb** stood in their way. Prime Minister speeches, double agents, exploding pens, nine catchy songs, and an hilarious script made this one-hour show memorable. **Our children in Year 6** excelled in their roles, bringing every single character to life during a performance to the whole school, followed by two performances on Thursday 18th June for their families. **6 Derbyshire**, we are very proud of each and every one of you.

Pride in our School and Pride in our Community
Reception City of London welcomed visitors from the Memory Café. The children proudly showed them our Farm animals, explaining how they look after look. They all had a wonderful afternoon.

TRUST VACANCIES:
