Year 6 Fashion Show!

6 Norway and 6 Sweden have created amazing fashion designs during the Design & Technology unit which has looked at the influence of Biba on fashion. Everyone created a pattern using negative space on styrofoam before using this to print their pattern on an item of clothing. These masterpieces were then worn to present a very unique fashion show to the whole school and staff. The children strutted along the runway, creating poses whilst 1960s music played in the background. Our Year 6 children are truly talented!
